

Star of the Week

Dear Families,

Your child will have a chance to be our “star of the week” throughout the school year. Help us celebrate your special child by providing the items listed to our class on Monday of your child’s assigned week. All items will be returned to you the following Monday. Please include:

- The Information Sheet (you will get this the week before your child’s assigned time)
- 5-10 pictures that are your child’s favorites

If you can visit for lunch during your child’s special star week, it would be a special treat for your child! We have lunch from 11:10-11:45. Please let me know in advance if you are coming for lunch.

Please join us on Friday of your child’s assigned week at 2:30 for your child’s “Star of the Week” time. During that time we invite you to read a book to the class and/or help your child answer questions about your family. It is very important that each child has a parent/special person visit during their “Star of the Week” time. If the time above does not work, please call me at 582-6315 (school) or email me to arrange another time. We are happy to accommodate your schedule and we look forward to seeing you!!

You will find a schedule of each child’s week on the back of this letter.

I appreciate your help in making this week special for your child!

Sincerely,
Mrs. Darling
